

# Application for Fellow Status Canadian Society for Biomechanics

---

As per the criterion set down by the Society the applicant must fulfil all of the requirements listed below. To facilitate the process of evaluating candidates please make sure you complete each section accurately. If more space is needed, attach additional pages.

---

---

1. Shall have been a member of the Society for eight consecutive years (up to two of which may have been earned as a student member) immediately prior to applying for Fellowship.

**Enter years that candidate was a member of the Society. Identify which years were as a student, if applicable.**

---

2. Shall have attended at least three biannual meetings of the Society during the past ten years.

**Enter the CSB meetings attended in the past ten years (by number or locale).**

3. Publication of at least eight full papers on biomechanics as principal author in peer reviewed journals of national or international distribution such as those listed in *Index Medicus* or Current Contents, in addition ten publications from any combination of invited book chapters or coauthored refereed publications.

**(a) Enter full bibliographic references to eight full papers published as principal author (not necessarily as first author).**

**(b) Enter full bibliographic references any combination of ten invited book chapters or refereed papers published as author or coauthor.**

4. Shall have authorship of at least ten papers at biannual meetings of the Society - Authorship includes being presenter or supervisor of the research.

**Enter bibliographic references to ten papers presented at biannual meetings (joint meetings with other societies are included). (These presentations include keynote addresses, symposia presentations, posters or papers presented by students supervised by the candidate.)**

5. Shall have received recommendation for advancement to Fellow status in writing from two current Fellows of the Society.

**Nominations by two current Fellows:**
