

## 1.1 Student Training Workshop Grants

This pilot grant program is available to undergraduate, MSc and PhD student members of the CSB to facilitate travel to and participation in a training workshop relevant to the biomechanics community. One such workshop per year will be endorsed by the Society, and will be publicised on the CSB website and newsletters.

**Note:** In this initial pilot phase of the program the endorsed training experience will be the Advanced International School on “Imaging, Modeling and Simulation in Biomechanics & Mechanobiology” which will be held 24-28 February 2020 in Roma, Italy. For this offering, a maximum of 3 awards will be given out, for up to \$500 each. Questions regarding eligibility or the application procedures should be sent to the CSB Secretary. Assessment of this pilot project will be performed in Spring 2020.

### Eligibility

- a) Must be a CSB member and be pursuing biomechanics research.
- b) Must be registered as a full-time undergraduate, masters or doctoral student.

### Deadline for Application

Applicants must submit their application package to the CSB Secretary at least 3 months prior to the beginning of the workshop endorsed by the Society.

### Application Package

- a) CSB Student Training Workshop Grant Application Form (available on the CSB website under the Awards section).
- b) A one-page letter of support from the applicant’s supervisor outlining the student’s benefit in participating in the workshop and certifying the supervisor’s or institution’s commitment to cover the remainder of the costs associated with travel and participation in the workshop.

### Adjudication Procedures

- a) The Chair of the Student Training Workshop Grant Committee is the Past President. Hereafter, these are called “Chair” and “Committee”, respectively. Should the Past President have a conflict of interest, the CSB Executive will appoint another of its members as the Chair.
- b) Once the application packages are received, the Chair will appoint a Committee of senior researchers who represent the variety of disciplinary backgrounds of the CSB membership.
- c) People related as supervisor or by other close affiliation are not eligible committee members.
- d) Upon approval of the grant, a cheque will be mailed to the awardee(s).

- e) Awardee(s) must submit a one-page report of their experience in the training workshop to the CSB Secretary no later than one month following the end of the workshop.
- f) The report will be posted on the CSB website and included in the next newsletter.
- g) Applicants will be informed of the funding decision 2 months before the start of the workshop.
